

KEEPING IN TOUCH

Alumni of the school have travelled the world, filled high offices, made fortunes, built businesses, saved lives and educated others. They have also maintained the friendships they made in childhood and stayed in contact with the school.

This is wonderful and it is something we want to facilitate.

In 2018 we created our alumni portal, *TheHallConnect*. Hundreds of alumni used it to make contact with the school and with each other. We have now revamped this, created a fascinating digital archive and provided additional resources for networking.

Alumni can use it to share business opportunities, offer mentoring or other careers help or simply to reach friends.

It is also open to former staff and to former parents.

Please do share this with anyone you know who might enjoy it.
