TOOLED UP®
BECAUSE EVIDENCE MATTERS

WELCOME PARENTS AND CARERS

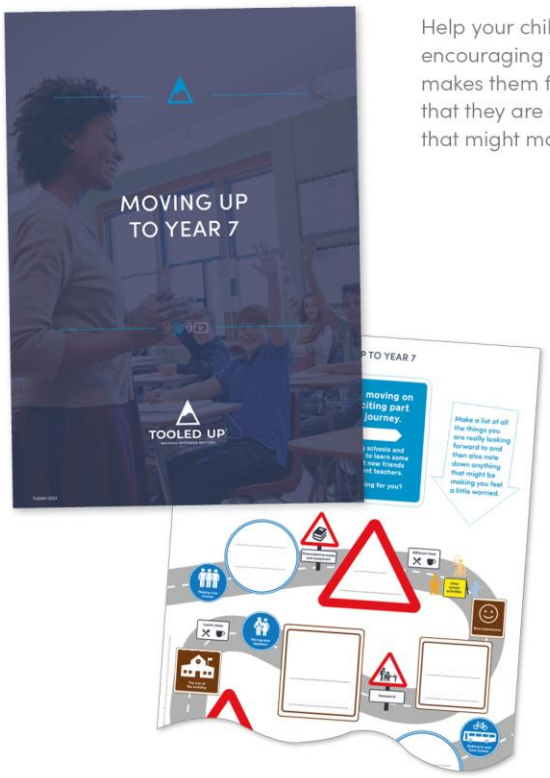
Mr Carl Rycroft

Headmaster

Dear Parents, you will be familiar with the saying, 'it takes a village to raise a child'. We firmly believe this and, as a school, we are committed to working with our parents and carers in genuine partnership. We collaborate with the organisation, Tooled Up Education, to ensure you have access to the highest quality advice and resources, which can support you on your parenting journey. This digital platform contains important research insights and resources, as well as access to online talks and conferences that can help you feel empowered and better able to support your child optimally.

As your child moves into this exciting, new educational stage, we are thrilled to share some '**Tooled Up Tips**' with you that can help boost children's resilience and get them ready for the school start!

Moving Up to Year 7:



Help your child feel school ready by encouraging them to consider how change makes them feel and to think of all the things that they are excited about, as well as anything that might make them feel a bit wobbly.

> This resource helped me to talk to my child about the upcoming change and helpfully remind her that she is already resilient and has many of the skills she needs to do well!

FAQS

What are your best tips to support my child with transition?

We've listed them all **here** in one, easy to digest resource.

How can I make the transition to secondary school easier for my child?

Watch our webinar to find out!

What's the best way of talking to my child about the move to secondary?

Watch this **short video** with your children to prompt discussion about getting ready to move on to the next part of their school journey and try our **conversation starters** to kickstart family chats.

What is the best resource to help my child settle in to their new school?

Try our **Settling In Journal**. It will support your child through their first few weeks.

How can I support my child to be better organised and develop resilient thinking habits?

Our **weekly organisation** and **Mindset Planners** are the perfect starting points.
